3. You can also share your code on your Dashboard under Permits, click on the share icon/arrow next to the visitor code.

The screenshot shows a web interface for managing permits. At the top left, it says "Permits 1" with a blue circle containing the number 1. Below this is the text "View all pending and active permits". In the top right corner, there are two buttons: "Add Permit" and "View All". The main content area features a permit card for "DC01913" which is "Active". The card lists "Visitor Permit" with a "Visitor Code" of "75646". Next to the code is a share icon (a hand holding a document) which is pointed to by a black arrow. Below the code, it specifies "Single Vehicle Permit Time" as "Unlimited" and "Multi-vehicle Permit Time Remaining" as "85 days, 23 hours, 45 minutes". It also states "To be used by September 22 2022". At the bottom of the card are two buttons: "Print" and "Schedule Vehicle". To the right of the permit card is a large, light gray square containing a white letter "P".
