

UPDATE YOUR DRIVER'S LICENSE

If your ID (driver's license) has expired or it is 6 days before the expiration date, you will be required to verify your valid ID on your ParkDC account to maintain your permit active.

1. On your Dashboard under the Verifications section click "Verify".

The screenshot shows the ParkDC dashboard with several sections: Visitor Requests, My Requests, Permits, Messages, and Verifications. The Verifications section is highlighted with a black arrow pointing to it from the left. Inside the Verifications section, there is a card for 'Account Holder Type(s)' with details for 'ANC 6A' at '704 10TH STREET NE, 20002'. A 'Verify' button is visible on the card, with a black arrow pointing to it from the right.

continues on next page

2. Fill out all the required fields and then click "Verify".

Account Holder Type Verification

Your account holder type has a status of Active and nothing needs to be done at this time.

Note: Your residency verification will expire on 11/12/2021 and will need to be reverified.
